## Mailing Solutions Designed For The Professional Mailer.

**RENA**

The RENA XPS-ProTab - engineered for true professionals and crafted from the highest quality steel and aluminum, this intelligent tabber is built to last for years. The console multi-tabber can be run in-line or offline and is also available in a 4" tabber/labeler setup.

The heavy-duty XPS-ProTab is capable of tabbing consistently and accurately at speeds of more than 45,000 per hour. It can apply 1, 2, or even 3 tabs in a single pass! Top-notch functionality and real affordability makes the XPS-ProTab the ultimate production tabber.
