April 2011 USPS® Rate Change Update *Postal Service™ to Change Prices*

Dear Valued Hasler Customer,

The United States Postal Service® has announced that they will increase prices for Mailing Services on **Sunday, April 17, 2011**. Business mailers will see prices increase for First-Class Mail, Standard Mail, Package Services, Media Mail and Extra Services. While the price to mail a one-ounce letter or a one-ounce flat at the **single-piece First-Class mail rate will remain unchanged**, each additional ounce will increase by 3 cents. Please go the USPS website for an explanation of all of the changes.

If you have subscribed to Rate Change Protection and you have **paid** your annual/renewal payment to Hasler, your rate will automatically be shipped to you or (if you have online services) you can download your rates now.

Contact us today to order and ensure delivery of your rate change update *before* April 17, 2011.

If you decide to purchase an individual rate update, you can fax us just the USPS Rate Change Order form and you will receive an invoice for the rate update. Be sure to complete the contact information so that we can reach you with any questions we have regarding your order. Please place your order by **March 30, 2011** to ensure that you receive your rate update by **April 17th, 2011**. If you place an order after this date, we may not be able to guarantee that you will receive your rate software update prior to the rate change effective date.

To assist you further with this and any other future rate updates, please visit www.haslerinc.com/rate or www.mailwaukee.com to view important rate change information and Hasler's full line of online enabled rate change ready mailing solutions. If you would like more info on the April 2011 USPS rate change, please visit www.usps.com/prices.

For your convenience, Hasler & Neopost Supply order forms can now be found on our website at www.mailwaukee.com/supplyorder.htm and may be submitted via email. If you have questions about the April 17, 2011 rate change, or wish to schedule an appointment with a representative to discuss ways in which your business can better adapt to the evolving Postal environment, please feel free to contact us at 262-789-9181.

At MAILwaukee Mailing, we appreciate your business and are working hard to remain your reliable source for the finest mail processing equipment, products and services.

Thank you,
Mailwaukee Mailing & Shipping Equipment, Inc.
